

WE VALUE **TENACITY** SO...

TARGET AUDIENCE BENEFITS

- We are **Solutions Focused** and offer innovative thinking
- We'll **think around a problem** to overcome the barriers, whether it's planning, financial or building
- We **drive through planning applications** to get project delivered
- We **predict and anticipate** problems before they arise
- Our **commitment** to you, the customer and the project is second to none
- We **work hard and fast** so you get income sooner rather than later
- Our **flexible financial packages** ensure the project is made possible, whatever your situation
- **Zero investment cost** for installations
- We work hard together as a team to **go the extra mile**
- We have a desire to continually improve and **exceed expectations**

COMPETITIVE DIFFERENTIATORS

- We have an **inherent drive to succeed**
- Our **record of success** for planning applications is unique – we get 80% through
- Our finance options are over **3 technologies**
- We **finance** projects quickly and efficiently
- Our **track record** of installations demonstrates our winning approach
- We are proud of the **competitive level of growth** for the business
- As the **leading renewables energy company in Cornwall**, we pioneered the success of the county as a driver in the renewables market
