

Position: Planning & Environmental Project Manager/Graduate.
Location: Unit 2A, Bess Park Road Tenant Industrial Estate, Wadebridge.
Salary: Dependent on experience but in the region of £30,000 - £35,000 plus bonuses.
Closing date: The position will be closed when filled.

Company Background:

CleanEarth design, build, and operate Solar Photovoltaic (PV) and Wind Turbine renewable energy systems throughout the United Kingdom.

Founded in 2010, our industry-leading in-house team of engineers, planners and project managers provide a complete turn-key solution for land owners, SMEs and large corporates, incorporating every aspect of the project development process and ensuring CleanEarth are always one step ahead.

This unique approach allows CleanEarth to tackle every project head-on, with the in-house resources to provide a truly holistic service.

Job Description:

The successful applicant will join the existing planning team. Responsibilities will include:

- Project management of renewable energy sites – predominantly wind.
- Site identification for wind and solar PV projects throughout the UK – with particular focus in Wales and Scotland.
- Liaison with clients, DNOs, Local Planning Authorities and external consultants.
- Knowledge and understanding of wind and solar project finances and able to present proposals internally and externally.
- Coordination and preparation of EIA and non-EIA planning applications - writing Environmental Statements and Planning Statements.
- Liaise with statutory and non-statutory consultees.
- Be solution-focused and goal-oriented.
- Organising and running stakeholder workshops and pre-application consultations.

Essential Requirements:

- Degree-qualified or undertaking a degree in planning, renewable energy, environmental or associated area.
- Methodical, accurate and process focused approach.
- Minimum of a year's experience in a planning environment.
- Given experience in submission of planning applications.
- Given experience in client and planner meetings.
- Excellent communication and organisational skills.
- Excelled report-writing skills.
- Proficiency with Excel.
- Driving License.

Desired Skills:

- Renewable energy industry knowledge and experience, with a particular focus on wind energy.
- Experience using ArcGIS.
- Associate membership of RTPI/ IEMA useful.

How to Apply: Please send a C.V. and formal covering letter outlining why you are suitable for the role to Lisa.Cook@cleanearthenergy.com stating 'Planning Manager' in the subject line.
