

Position Title: Planning and Environmental - Project Manager / Graduate

Company: CleanEarth Energy

Salary: £21,000 - £28,000 pa

Location: Wadebridge, Cornwall

Duration: Full-time

Closing date: Open ended

Company background:

Clean Earth design, build, and operate Solar Photovoltaic (PV) and Wind Turbine renewable energy systems throughout the United Kingdom.

Founded in 2010, our industry-leading in-house team of engineers, planners and project managers provide a complete turn key solution for land owners, SMEs and large corporates, incorporating every aspect of the project development process and ensuring Clean Earth are always one step ahead.

This unique approach allows Clean Earth to tackle every project head-on, with the in-house resources to provide a truly holistic service.

Job Description:

Successful applicants will join the existing planning team.

Responsibilities will include:

- Project management of renewable energy sites – predominantly wind.
- Site identification for wind and solar PV projects throughout the UK – with particular focus in Wales and Scotland.
- Liaising with clients, DNOs, Local Planning Authorities and external consultants.
- Knowledge and understanding of wind and solar project finances and be able to present proposals internally and externally.
- Coordination and preparation of EIA and non-EIA planning applications - writing Environmental Statements and Planning Statements.
- Completing site visits to assess the suitability for wind/solar installations.
- Ensuring a collaborative relationship with landowners and build relationships with new potential clients.
- Liaising with statutory and non-statutory consultees.
- Be solution focused and goal oriented.
- Organising and running stakeholder workshops and pre-application consultations.

Essential Requirements:

- Methodical, accurate and process focused approach.
- Excellent communication and organisational skills.
- Excelled report-writing skills.
- Proficiency with Excel.

Desired Skills and Qualifications:

- Renewable energy industry knowledge and experience, with a particular focus on wind energy.
- Experience using ArcGIS and AutoCAD.
- Associate membership of RTPI/ IEMA useful.
- Driving License.

How to Apply: Please send a C.V. and covering letter outlining why you are suitable for the role to lisa.cook@cleaneearthenergy.com
