Position: Purchasing and Logistics Manager

Company: CleanEarth Energy

Salary: £24,000 to £28,000pa

Location: Wadebridge

Duration: Full time contract

Closing date: N/A

Company background:

CleanEarth design, build, and operate Solar Photovoltaic (PV) and Wind Turbine renewable energy systems throughout the UK.

Founded in 2010, our industry-leading in-house team of engineers, planners and project managers provide a complete 360-degree service, incorporating every aspect of the project development process and ensuring CleanEarth are always one step ahead.

This unique approach allows CleanEarth to tackle every project head-on, with the in-house resources to provide a truly holistic service.

Job Description:

CleanEarth are looking for a motivated, well organised Purchasing and Logistics Manager to join our existing team and assist with the procurement of materials for PV installations and maintenance, together with the organisation and stock control of the warehouse, including material picking for jobs and a range of ancillary tasks as and when required by the business.

Essential Requirements:

- Excellent communication and organisational skills.
- Methodical, accurate and process focused approach to tasks.
- Maintenance of documentation and ability to keep accurate records.
- Driving License.

Desired Skills and Qualifications:

- Experience of working in a purchasing position.
- Renewable energy industry knowledge and experience.
- Forklift licence
- Manual handling certificate.

How to Apply: Please send a C.V. and covering letter outlining why you are suitable for the role to lisa.cook@cleaneartenergy.com
