Position: Skilled Labourer

Company: CleanEarth Energy

Salary: £16,000 - £20,000 dependent on experience

Location: Office base at Wadebridge but various sites around the UK

Duration: Full time contract

Closing date: N/A

Company background:

CleanEarth design, build, and operate Solar Photovoltaic (PV) and Wind Turbine renewable energy systems throughout the UK.

Founded in 2010, our industry-leading in-house team of engineers, planners and project managers provide a complete 360-degree service, incorporating every aspect of the project development process and ensuring CleanEarth are always one step ahead.

This unique approach allows CleanEarth to tackle every project head-on, with the in-house resources to provide a truly holistic service.

Job Description:

CleanEarth are looking for motivated, organised Skilled Labourers to join our existing team and assist with the installation of PV systems, together with operations and maintenance on various sites throughout the country. The role will require knowledge and experience of working on construction sites and the ability to work intensely for certain periods of time anywhere in the country.

Essential Requirements:

- Previous experience general construction.
- Methodical, accurate and process focused approach to tasks.
- Flexibility to work throughout the UK, including evenings and weekends.
- Driving Licence.

Desired Skills and Qualifications:

- Previous solar PV installation experience.
- Telehandler ticket
- MEWP 3a & 3b ticket
- Working at heights
- Manual handling
- Level 2 Health and Safety in the workplace
- CSCS card

How to Apply: Please send a C.V. and covering letter outlining why you are suitable for the role to lisa.cook@cleaneartenergy.com
