

Position Title: Solar PV - Project Manager
Company: CleanEarth Energy
Salary: £24,000 - £30,000 pa
Location: Wadebridge, Cornwall
Duration: Full-time
Closing date: NA

Company background:

Clean Earth design, build, and operate Solar Photovoltaic (PV) and Wind Turbine renewable energy systems throughout the United Kingdom.

Founded in 2010, our industry-leading in-house team of engineers, planners and project managers provide a complete turnkey solution for landowners, SMEs and large corporates, incorporating every aspect of the project development process and ensuring Clean Earth are always one step ahead.

This unique approach allows Clean Earth to tackle every project head-on, with the in-house resources to provide a truly holistic service.

Job Description:

Clean Earth are looking for a motivated and organised Project Manager to work on our Solar PV projects.

Responsibilities will include:

- Project management of the design, construction, and installation for solar PV sites.
- Project management of the design, construction and operation of medium-large scale wind farms.
- Management project Health and Safety, including writing risk assessments and method statements.
- Management of design engineers and subcontractors.
- Project design, estimation / budgeting and procurement.
- Providing technical input for feasibility stage projects.
- Liaising with clients, DNOs, suppliers and consultants.
- Conducting site visits to assess suitability for solar installations.
- Ensuring a collaborative relationship with clients.
- Flexibility to travel throughout the UK.

Essential Requirements:

- Renewable energy industry knowledge and experience, with a particular focus on commercial solar PV design, installation and operation.
- Strong commitment to health and safety, and knowledge of H&S legislation as applicable to construction projects.
- Knowledge and understanding of solar project finances.
- Methodical, accurate and process focused approach.
- Excellent communication and organisational skills.
- Proficiency with Excel.
- Working knowledge of 2D AutoCAD.
- Driving License.

Desired Skills and Qualifications:

- NEBOSH, IOSH, SMSTS, working at height.
- Experience using ArcGIS
- Knowledge of Autodesk Civil3D.

How to Apply: Please send a C.V and covering letter outlining why you are suitable for the role to lisa.cook@cleanearthenergy.com
