

Position Title: - Project Manager (Wind)  
Company: CleanEarth Energy  
Salary: £30,000-£40,000pa  
Location: Office in Wadebridge, Cornwall  
Duration: Full-time  
Closing date: N/A

**Company background:**

Clean Earth design, build, and operate Solar Photovoltaic (PV) and Wind Turbine renewable energy systems throughout the United Kingdom.

Founded in 2010, our industry-leading in-house team of engineers, planners and project managers provide a complete turnkey solution for landowners, SMEs and large corporates, incorporating every aspect of the project development process and ensuring Clean Earth are always one step ahead.

This unique approach allows Clean Earth to tackle every project head-on, with the in-house resources to provide a truly holistic service.

**Job Description:**

Clean Earth are looking for a motivated and organised Project Manager to join our existing team.

**Responsibilities will include:**

- Project management of the design, construction and operation of medium-large scale wind farms.
- Management project Health and Safety, including writing risk assessments and method statements.
- Management of design engineers and subcontractors.
- Project estimation / budgeting and procurement.
- Providing technical input for feasibility stage projects.
- Liaising with clients, DNOs, suppliers and consultants.
- Conducting site visits to assess suitability for wind/solar installations.
- Ensuring a collaborative relationship with clients.
- Flexibility to travel throughout the UK.

**Essential Requirements:**

- Renewable energy industry knowledge and experience, with a particular focus on wind farm design, development or construction
- Strong commitment to health and safety, and knowledge of H&S legislation as applicable to construction projects.
- Knowledge and understanding of wind farm project finances.
- Methodical, accurate and process focused approach.
- Excellent communication and organisational skills.
- Proficiency with Excel.
- Working knowledge of 2D AutoCAD.
- Driving License.

**Desired Skills and Qualifications:**

- NEBOSH, IOSH, SMSTS
- Experience using ArcGIS
- Knowledge of Autodesk Civil3D.
