

Position Title: Project Manager
Company: CleanEarth Energy
Salary: £22,000 - £40,000 DOE
Location: Wadebridge, Cornwall
Duration: Full-time
Closing date: NA

Company background:

Clean Earth design, build, and operate Solar Photovoltaic (PV) and Wind Turbine renewable energy systems throughout the United Kingdom.

Founded in 2010, our industry-leading in-house team of engineers, planners and project managers provide a complete turnkey solution for landowners, SMEs and large corporates, incorporating every aspect of the project development process and ensuring Clean Earth are always one step ahead.

This unique approach allows Clean Earth to tackle every project head-on, with the in-house resources to provide a truly holistic service.

Job Description:

Clean Earth are looking for a motivated and organised Project Manager to work on various Solar PV projects.

Responsibilities will include:

- Project management of the design, construction, and installation for solar PV sites.
- Assisting in the project management of medium-large scale wind farms.
- Management project Health and Safety, including writing risk assessments and method statements.
- Management of design engineers and subcontractors.
- Project design, estimation / budgeting and procurement.
- Providing technical input for feasibility stage projects.
- Liaising with clients, DNOs, suppliers and consultants.
- Conducting site visits to assess suitability for solar installations.
- Ensuring a collaborative relationship with clients.
- Flexibility to travel throughout the UK.

Essential Requirements:

- Methodical, accurate and process focused approach.
- Excellent communication skills - written and verbal.
- Excellent organisation skills.
- Ability to organise and drive multiple parties to committed dates.
- Proficiency with Excel.

Desired Skills and Qualifications:

- Previous experience in a Project Management role.
- Strong commitment to health and safety, and knowledge of H&S legislation as applicable to construction projects.

- Knowledge and understanding of solar project finances.
- NEBOSH, IOSH, SMSTS, working at height.
- Experience using ArcGIS
- Knowledge of Autodesk Civil3D.
- Working knowledge of 2D AutoCAD.
- Driving License.

How to Apply: Please send a C.V and covering letter outlining why you are suitable for the role to lisa.cook@cleaneartenergy.com
