Position Title: Electrical Installer

Company: CleanEarth Energy

Salary: £30,000 - £38,000

Location: Wadebridge, Cornwall

Duration: Full-time contract.

Closing date: NA

Company background:

CleanEarth design, build, and operate Solar Photovoltaic (PV) and Wind Turbine renewable energy systems throughout the United Kingdom.

Founded in 2010, our industry-leading in-house team of engineers, planners and project managers provide a complete 360-degree service, incorporating every aspect of the project development process and ensuring CleanEarth are always one step ahead.

This unique approach allows CleanEarth to tackle every project head-on, with the in-house resources to provide a truly holistic service.

Job Description:

CleanEarth are looking for a motivated and organised Electrical Engineer to join our existing team.

Responsibilities will include:

- Carrying out planned and reactive maintenance on all asset managed renewable energy sites.
- Reviewing and monitoring all asset managed renewable energy sites on a rota basis, including weekend cover.
- Identifying, recording, and responding to faults, with a proactive, problem solving approach.
- Management and completion of Low Voltage electrical design and installation.
- Completing analysis of site performance to make improvements to ongoing operation.
- Completing reports.

Essential Requirements:

- City and Guilds 2365-02/03, equivalent or higher.
- City and Guilds 2391 or equivalent.
- BS7671 18th Edition.
- Methodical, accurate and process focused approach.
- Excellent communication and organisational skills.
- Computer Literacy.
- Driving License.
- Flexibility for working throughout the UK, including evenings and weekend.
- Minimum 5 years working within the industry.

Desired Skills:

- Experience of working in the PV installation and maintenance.
- CAD experience.
- Experience in communications set-up and configuration.
- Experience in High Voltage design, installation and maintenance.

How to Apply: Please send a C.V. and covering letter outlining why you are suitable for the role to lisa.cook@cleaneartenergy.com
