Position Title: Project Manager
Company: CleanEarth Energy
Location: Wadebridge, Cornwall
Duration: Full-time contract.
Closing date: N/A

Company background:

CleanEarth design, build, and operate Solar Photovoltaic (PV) and Wind Turbine renewable energy systems throughout the United Kingdom.

Founded in 2010, our industry-leading in-house team of engineers, planners and project managers provide a complete 360-degree service, incorporating every aspect of the project development process and ensuring CleanEarth are always one step ahead.

This unique approach allows CleanEarth to tackle every project head-on, with the in-house resources to provide a truly holistic service.

Job Description:

CleanEarth are looking for a motivated and organised Project Manager to work on our upcoming wind farm projects.

Responsibilities will include:

- Driving projects and striving for the highest Health, Safety and Quality standards
- Provision of technical input and support during project development phase
- Estimation and tracking of project costs
- Production of project programmes, wind farm site layout drawings, swept path analysis, planning and legal drawings
- Procurement, tendering and design/construction contract negotiation
- Day to day management of project in the preconstruction and construction phase
- Support wider improvement/development of project management processes and procedures.

Essential Requirements:

- Minimum of 3 years experience in the delivery of onshore wind, civil engineering or construction projects
- Methodical, accurate and process focused approach.
- Strong commercial awareness
- Excellent communication and organisational skills.
- AutoCAD proficiency
- Full UK Driving License.
- Flexibility to work on our sites throughout the UK, including evenings and weekends as required.

Desired Skills:

- Familiarity with NEC and FIDIC construction contracts
- A strong knowledge of transport and construction methods as they relate to onshore wind projects
- Civil3D proficiency
- MS Project
- Surveying/Setting out experience

How to Apply: Please send a C.V. and covering letter outlining why you are suitable for the role to lisa.cook@cleaneartenergy.com
