You don't often get email from windfarms@atkinsrealis.com. [Learn why this is important](#)

Dear Stacey Hobbs,

I am responding to an email from [16-10-2025](#) regarding the above named proposed development.

The above application has now been examined in relation to UHF Radio Scanning Telemetry and Microwave communications used by our Client in that region and we are happy to inform you that we have **NO OBJECTION** to your proposal.

Kind Regards,
Windfarm Support

Subject: Proposed development for 1x wind turbine at Higher Biscovillack Farm - Atkins

Dear Sir/ Madam

We are proposing a new wind turbine development and would like to check if the development would have any effect on your services.

The proposed development is for a single wind turbine on land at Higher Biscovillack Farm, Greensplat, St. Austell, PL26 8XY.

Please find the details of the proposed turbine below:

Turbine model: 1 x Vestas V117

Hub height: 76.5m
Maximum tip height: 135m
Turbine location: X: 199806 , Y: 054453

Micro-siting allowance: 25m

Please do not hesitate to contact me if you require any further information to complete your assessment.

Best regards

Stacey Hobbs
