Position Title: Junior Solar Designer & Commercial Assistant – Full-time

Company: CleanEarth Energy

Salary: £25,000 - £30,000 (DOE)

Location: Wadebridge, Cornwall

Closing date: NA

Company background:

CleanEarth design, build, and operate Solar Photovoltaic (PV) and Wind Turbine renewable energy systems throughout the United Kingdom.

Founded in 2010, our industry-leading in-house team of Engineers, Planners and Project Managers provide a complete 360-degree service, incorporating every aspect of the project development process and ensuring CleanEarth are always one step ahead.

This unique approach allows CleanEarth to tackle every project head-on, with the in-house resources to provide a truly holistic service.

Job Description:

CleanEarth are looking for a motivated and organised Commercial Technical Sales Support to join our existing team working between both the office and our nationwide sites.

Responsibilities will include:

- Designing and costing commercial solar PV projects with input from the technical team
- Working closely with commercial team to deliver large scale projects across the UK.
- Site visits – drone surveys and electrical surveys.
- Using industry standard software (PVSOL) to deliver accurate models.
- Grid connection applications to District Network Operators
- Attend trade shows & events as necessary/required
- Completing designs, reports, analysis and proposals.

Essential Requirements:

- Methodical, accurate and process focused approach.
- Excellent communication and organisational skills.
- Computer Literacy.
- Driving License.
- Flexibility for working throughout the UK.
- Experience within the renewables industry or studied at university.
- Experience with solar software – PVSOL/PVSyst or similar.

Desired Skills:

- Experience of designing PV systems
- Familiarity with Drone's
- Understanding of PV components.
- CAD experience.

- **How to Apply:** Please send a C.V. and covering letter outlining why you are suitable for the role to lisa.cook@cleaneartenergy.com
